Executive Presentation 2026

Mithaq
Pitch Deck

The Smart, Hardware-Free Attendance & Lightweight HR Automation Platform for Egypt's 450,000+ Formal SMEs.

BUILT BY Scando

Start Presentation →

Operational Chaos in SMEs

Traditional HR systems fail companies with 5 to 50 employees, leaving them vulnerable to financial leaks and legal penalties.

Hardware Failures

Optical fingerprint readers break easily, cost up to 12,000 EGP to replace, and drain payroll through proxy buddy-punches.

Bloated Software

Enterprise ERPs demand expensive USD licenses, require months of onboarding, and overcomplicate simple attendance needs.

Compliance Chaos

Managing casual leaves, holidays, and social insurance manually on WhatsApp leads to frequent errors under Law 12/2003.

Smart, Hardware-Free Architecture

Custom-engineered by Scando to eliminate manual work and hardware costs, unlocking defensible 80%+ gross margins.

Market White Space
88% of target SMEs (5-50 staff) have no dedicated digital HR software.

GPS Geofencing

Staff punch attendance on their own phones inside geofenced branches, securely bound to their hardware ID.

24-Hour Setup

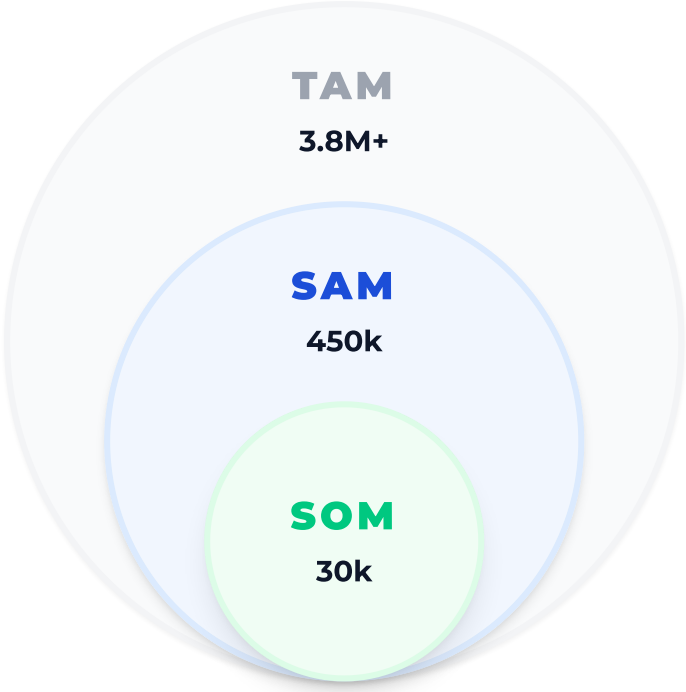

Plug-and-play cloud setup. Business owners configure shifts and staff profiles in under one day.

Native Legal Engine

Automated Law 12/2003 calendars, leave balances, encrypted PDF payslips, and 3-tier approvals.

Egypt's Massive SME Sector

A highly scalable and untapped market ready for digital transformation.

Total Addressable Market

TAM

3.8M+ Registered Private Establishments in Egypt.

Represents the macro digital transformation tailwind employing over 12.6 million personnel.

Serviceable Addressable Market

SAM

450,000 Formal SMEs (5-50 Staff).

Addressable ARR Potential: > 2.1 Billion EGP

Serviceable Obtainable Market

SOM

30,000 Target Seats by Year 3.

Targeted penetration in commercial hubs: New Cairo, Maadi, Nasr City, and Delta clusters.

Simple, Scalable Pricing

Employee Seat

40 EGP / mo

- Mobile App (iOS/Android)
- GPS Punching & ID Binding
- Self-serve Leave Requests

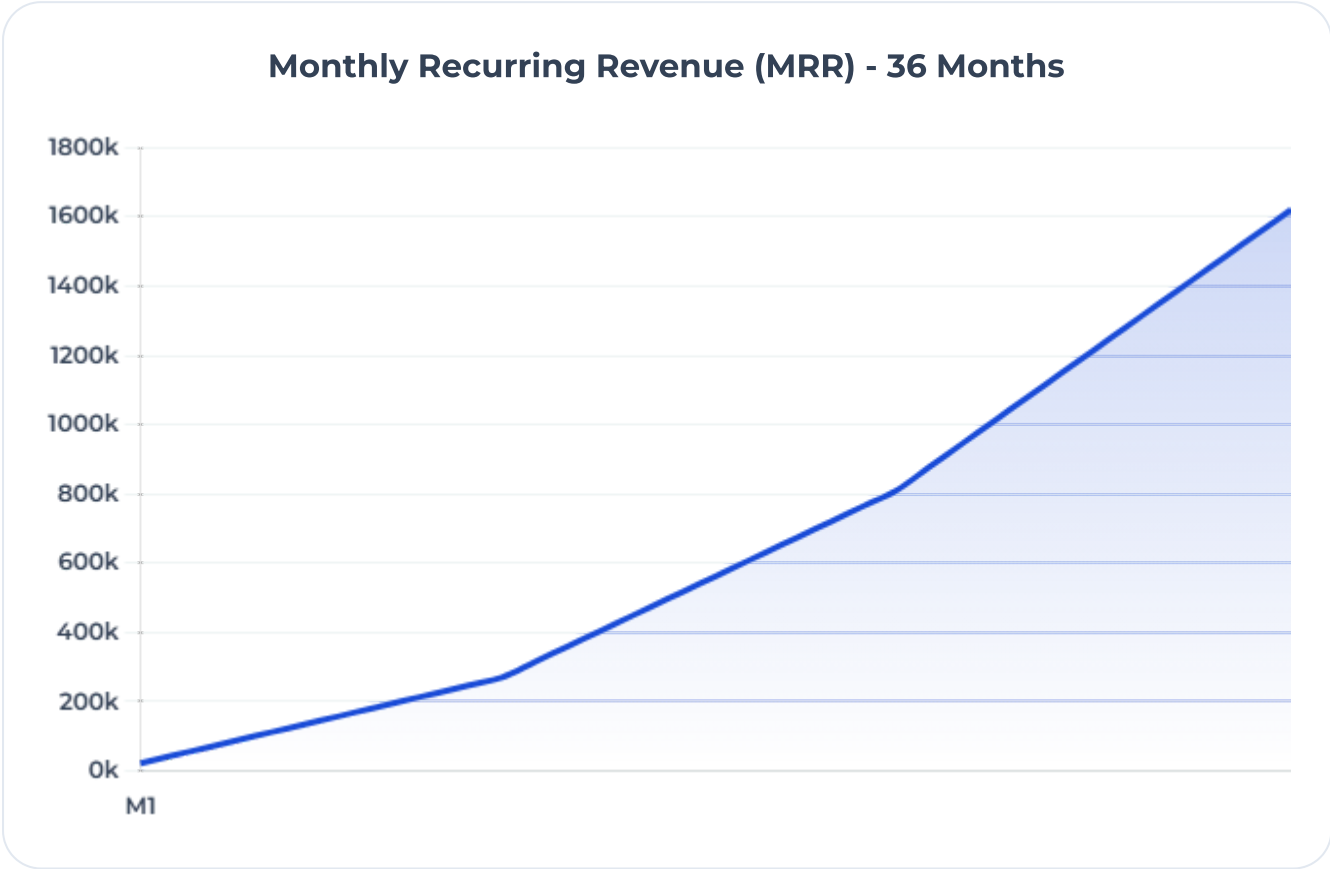

HR Desk License

350 EGP / mo

- Full Web Admin Dashboard
- Multi-Branch Management
- Law 12/2003 Engine
